At CCHS

Being SIMPLY THE BEST isn't always easy, but it looks like we've done it again. Our school spirit, participation, and pride, like always, have shown through both in the classroom and in extracurricular activities. Many changes were made this year to create the BEST environment for learning, athletics, and student life. A few of the changes were Channel One and televised announcements, the new Alumni Stadium, and carpeting in the hallways. With these great new advancements, our school has strived to be SIMPLY THE BEST. We must also strive for our BEST through all four years and through life because it flies by faster than we think. After graduation we enter into a whole new world, so let's make these days together the BEST times of our lives. Make everything worthwhile so we can hold on to great memories.

PEOPLE

Throughout our days at CCHS we have shared some of the most memorable times together. Whether the times were good or bad, with old friends or new, we managed to complete another year. The variety of people that make up our school contribute their all to make our lives SIMPLY THE BEST. These special moments will always be cherished and never forgotten. One day we will look back upon these years and smile as we realize the fun we've had together.

> Mark Swanhart remarked, "The sense of warmth and friendship at CCHS has made, at least in my eyes, our school SIMPLY THE BEST."

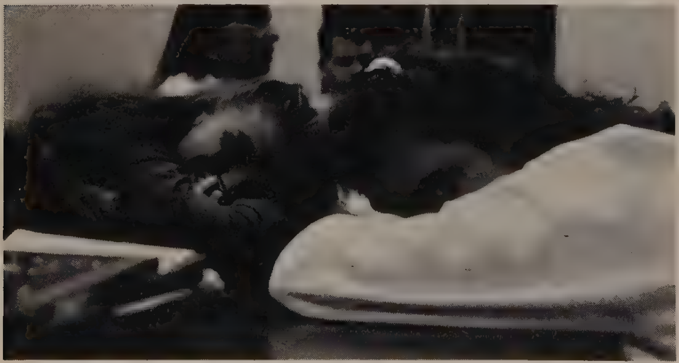
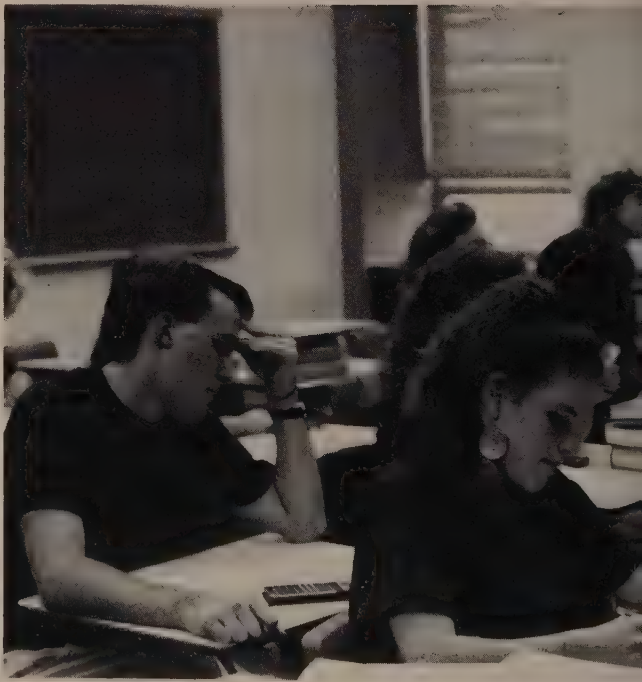
Applied People

Building for the Future

People applying themselves to higher education and learning. Yes, that's what they are. Young men and women working hard on subjects that challenge their intellectual ability. These classes are not easy by a long shot. It takes up alot of one's free time and these people are dedicated to their studies in hopes of succeeding in the future. The three A.P. (Advanced Placement) classes offered here at CCHS are A.P. English, A.P. Biology and College Calculus in high school. Each class demands hours of work and preparation, intense study time, and intellectually motivated people who are able to handle a taste of college life. If the students work hard they can reap the benefits of their efforts, whether it be an "A" on a test, accomodation by a teacher, or exemption from a college class. These people are building their future one step at a time.





On the lighter side, Tab Watson and Alli Jones rest their brains after a hard A.P. English class.

Around Town

...Places to Hang are Few and Far Between

Where do you go after school or on the weekend when there is nothing better to do? To your local hang-out, where else?! There is always a place in town where you can go and spend time with your friends. A big part of high school life is going to the "hot-spot" in town. These places are where many of our high school memories and long-time friendships are made and never forgotten.

Are You Styling It?

Fashions to Fall For

The 1991-92 school year brought many new styles to CCHS. Some of them seemed to originate at the beach: jean shorts, beach belts, K-Swiss, and the natural look for hair. Students also sported anything that was comfortable: huge sweatshirts and baggy Levi's. On the sporting side, soccer attire also played a major role as umbros and black soccer shoes were popular. College and professional sports team attire added a variety of colors to the classrooms. Seniors, Diana Dryzal and Lynn Krumenacker both agreed, "Sweatshirts and umbros were popular throughout the entire year."

On Top of Things

CCHS Administration

An important part of Central Cambria is the administration. They are the ones who continue to make Central Cambria High School well-regarded around the area for the quality of education the students obtain. The adminstration is the backbone of everything that happens within the school. They give the final ruling on school-related issues, policies, and special activities.

Teachers on the Lighter Side

Friendly Faculty at CCHS

The faculty at CCHS is known for their excellence in the classroom. They are to be found before and after school to provide tutoring beyond their classroom duties. However, between bells, teachers have also been known to "clown around." The students enjoy seeing this side of the faculty. Senior Ronelle Marhefka stated, "It's nice to have teachers joking around with us, acting like real people. I'll always remember Mr. Tsikalas and his magic tricks."

Supporting the System

The cafeteria workers and the cleaning staff have done a great job for us this year. Even though lunch went up a quarter, we are still provided with plenty of good food to chose from. As for our cleaning staff, the students appreciate their efforts in helping to keep our school a pleasant environment to learn.

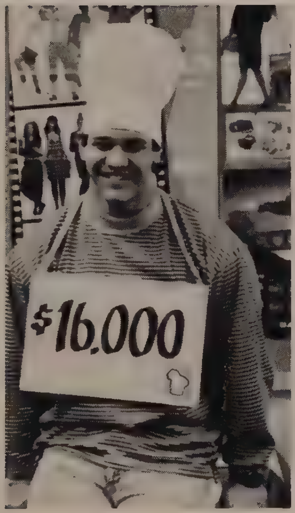
SIMPLY THE BEST



A chef and a smile, Brian Dryzal dazzles the class with information from the Pennsylvania Institute of Culinary Arts.

Senior year is definitely a blast, taking time out of their studies these upperclassmen show what fun a snowball battle can be.

STUDENT LIFE

Everyone says that your high school years are THE BEST. It is known that studying is SIMPLY not all there is to do at CCHS. Students have the opportunity to get invovled in anything from the first pep-rally to the last baseball game. During the time between academics and outside social life, things like dances, spirit week, homecoming, the bloodmobile, the play, and the prom keep students busy thoughout the year. The things we learn and friendships we develop during these activities will last a lifetime.

Jen Gore had this to say about her student life activities, "Some people say that our school activities are boring but you only make them out to what you want them to be. My friends and I dressed everyday for spirit week, which made the week fun and eventful."

LOOSENING UP

Spirit week is a time for the CCHS faithful to show their school spirit. This leads up to the Friday night Homecoming football game. The week starts off with Monday being college/sports day, Tuesday was fluorescent/comfy cozy/camo day, Thursday was hippi/crazy color/concert T-shirt day and Friday was the traditional red and black day. The support and participation was excellent as always.

Definitely not dressed to impress, students and faculty show their support.

ROYALTY LIVES ON

Homecoming weekend had finally arrived. On Friday Oct. 11, the court made their way to the game, through the cold and the rain. They patiently awaited the halftime walk down the field. Even though it was very cold there were still many flashy smiles. Saturday was the day for much nervousness. At about 4:30pm, the court met in the high school parking lot to make their trip to Rizzo's for dinner. Stush Kubat decided to make it a first and order escargot and commented,“ They taste like my basement floor!” With time to spare, the court headed for the mall. The mall was a blast but, the real excitement was ready to begin. Everyone arrived at the school at about 8:45pm, and waited around for the BIG moment. The court filed on to the stage as their names were being announced.

Second runners-up are...Alli Jones & Jeff Voyda. First runners-up are...Lori Scanlan & Stush Kubat. The 1991 Homecoming King & Queen are-...Michelle Barkley & Loren Allbaugh.

PLAY SEASON

Sensational, terrific, outstanding are just a few words that could be used to describe this year's Drama Society play, ***The Mousetrap***. This drama, by Agatha Christie, is a captivating mystery in which everyone is guilty and suspicious. This year's cast did an excellent job portraying their characters. The cast had to almost become a family and bond together as the learned to rely on eac other in order to create a outstanding show. Th crew and director, Mi Diana Burda, have to congratulated also for job well done. Whe asked, fellow actor, Dou Dorsch, replied, "Th play was a time for mem ries, ones that I'll nev forget. Thanks guys."

A NEW SUNRISE

The forensic one act play cast, consisting of Doug Dorsch, Jason Rummel, Carrie Sherry, and Dana Hurley, did an outstanding job with this year's play. The play entitled ***A New Sunrise*** deals with the much publicized issue of suicide.

Two elderly ladies, Cassandra (Carrie Sherry) and Electra, (Dana Hurley) , decide that their life is over and that they might as well drink themselves to death with poisonious wine. They decide to kill themselves at the local funeral parlor run by Mr. Hector, a nervous and frantic old man. Mr. Hector(Doug Dorsch), unable to handle it all, retires to lie down when Paris (Jason Rummel) enters the scene. Paris with his charm is able to talk the two of them out of killing themselves. The story ends happily ever after as the they go off to Paris for a vacation.

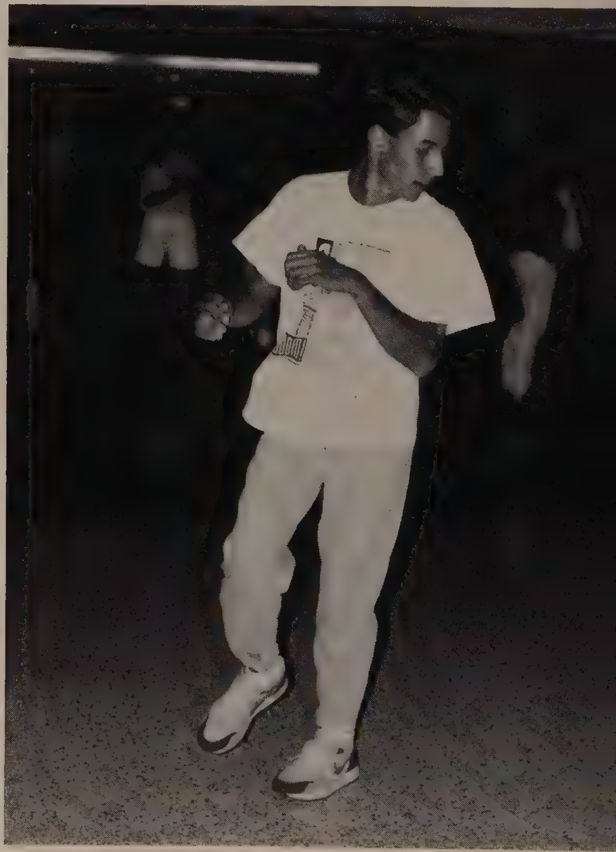
‘‘BOOGIE DOWN’

Central Cambria has approximately six to seven dances per school year. Some students take advantage of the dances to spend time with their friends and have fun. This year there were two extra dances that happened to be something different at CCHS. One was the Snowfall Ball, sponsored by the senior class which proved to be a success. Another was the Power 92 dance sponsored by the band boosters, and of course another good time. So Red Devils boogie your little hearts out and stay cool!

Taking a break from the dance floor some girls pose for a picture.

Jason Voyda and Dawn Koban are psyched for a good time.



Like always Bill C boogies to the beat.

FESTIVE DAYS

It's a jolly time at CCHS during the holidays, all Red Devils are preparing for vacations and festivities. Although the anticipation is simply unbearable, the students at Central Cambria find a fun way to pass the time. This year CCHS students participated in the annual Christmas door decorations, a semi-formal known as the Snowfall Ball and for the first time the Red Devils dressed up for Halloween. The Halloween costumes were great and the costume winners were Christie and Rick Hoffman. Until next year, Happy Holidays!

SENIORS BAND

The Class of '92 ran into some setbacks this year. Banding together made things a little simpler. Student Council performed a T-Shirt sale that proved successful. Jamie Kmett, Paul McKloskey, Brad Carnes, Matt Romagna, Morgan James, and Mike Romagna formed a band, NECROMANCY, and really packed the house. Needless to say the senior class was quite appreciative. A final fund raiser was the SNOWFALL BALL, a semi-formal Christmas dance.

MOONLIGHT MEMORIES

An evening of "Moonlight Memories" began at 5:00 P.M. on Saturday, May 9th, with the Grand March. The Grand March was a new idea this year that allowed all the couples to "sparkle and shine" before all their friends and relatives. The Prom Committee, headed by Mr. Swan, put together a most memorable night at the Imperial Room at the Ebensburg Mini Mall. The newly built Imperial Room made for a very elegant evening out for the couples, especially with all the decorations that were put up.

The stars were out as the sequins and rhinestones sparkled on the dance floor and the D.J. began to rock the joint. The general consensus seemed to led to the conclusion that the dinner was definitely better than last year, but some of the people would have like to have dessert.

SPORTS

The Red Devil sporting events have brought success to CCHS. Whether we were playing at our BEST or SIMPLY to have fun, this year was one for the books. The long practices, dedication, and committments were factors that influenced our teams' overall performances.. Victories were obtained on the individual and on the team level. Athletics at CCHS have become a building experience for both sports and life. These Red Devil memories will always be cherished as THE BEST.

Sensing the need for change, the Red Devils moved from Memorial Field to Alumni Field. Hoping to begin another forty-two years of excellence, the Devils outscored their opponents 199-80 and posted a perfect 5-0 record at home. This entised fans to follow the Devils throughout the season. The biggest show of support came opening night, August 30, 1991, when paid attendance was 1,937. Not to disappoint the fans, Neil Schloski became the first ever to score on the new field just two minutes into the game as the Devils rolled over Ligonier 42-26.

A change in the coaching staff promoted Miss Burda to head coach and Dawn Becquet moved in as an assistant coach. Under the new staff, the girls attempted to rebuild the team. Although the season ended below the expectations of the coaches, the Lady Devils kept their spirits high as a team. The underclassmen gained experience for the upcoming years. Jen Puch remarked, "The season was hard and we had trouble getting through it. We can only hope to do better next year."

A Slow Start

"Fore" a Seven-Win Finish

Led by seniors, J. D. Kline and Dale Makin, the golf team came on strong after dropping their first four matches. The team's success was accredited to the overall unity of the players throughout the season. "Nobody on the team really cared about what position they were going to play, we all just wanted to win," remarked J. D. Kline. The future of the team is promising with seven returning lettermen.

Enjoying the day at "The Club", senior Dale Makin relaxes before the match.

Runners Win Again

Central Cambria Cross Country has long been recognized for its excellence and this season was right on course as well. The boys' team consisted of only seven runners, and the girls' a mere five. The coaching positions were held by Shawn Smith (head coach) and Donna Beyer (assistant). Due to the small size, the team fell to Westmont early in the season. However, the team suffered through a period of intense training, and came back to defeat many opposing teams. Thanks to the hard work and dedication from the coaches, both teams were brought together and achieved many goals. The main goal for this years team was to overcome the number one team, Westmont. They did this by capturing, "The Laurel Highlands Conference" title.

Pride and Intensity

Devils Meet Preseason Expectations

Prior to the '91 season, many people viewed the Red Devils as top contenders for the Laurel Highlands championship. Overcoming a disappointing 2-2 start, the Devils met these expectations. Over the final six weeks of the season, the team comprised an impressive 6-0 record and finished second in the cpnference. When asked to comment on the season, Coach Bussard replied, "Our players overcame many forms of adversity and accomplished more than many people thought we would, as a result, the senior class has left a legacy that future classes will try to uphold." Through dedication and hard work, the Devils earned a spot in the District VI AAA playoffs against Lock Haven. Engaged in a hard fought, emotional game, the Devils fell 41-16, but had nothing to hang their heads about. The 1991 football season was one fans will look back upon for years to come.

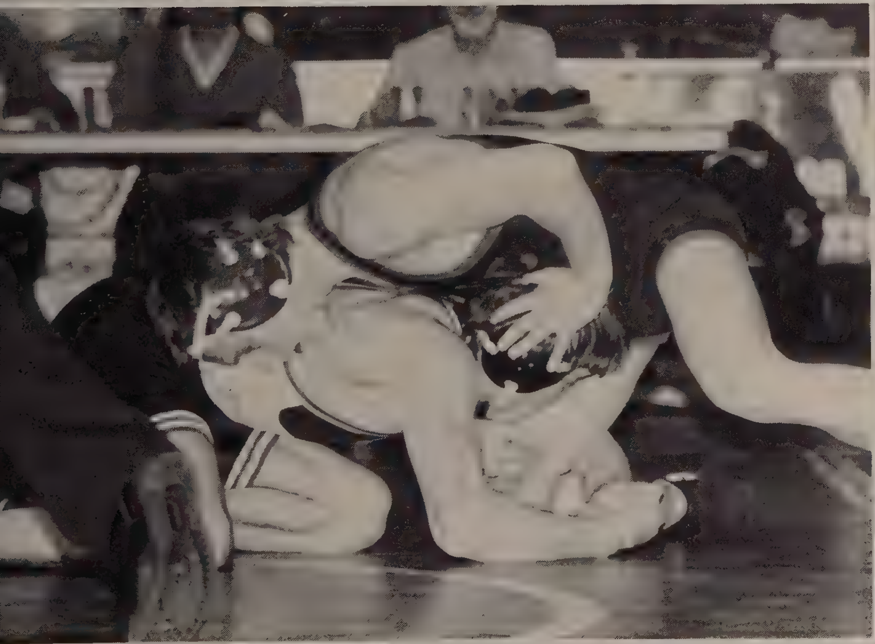
Grapplers Advance to States

Brothers and Greg Grimes modestly display their “gold.”

At the Hershey Arena, giving up quite a few pounds in the heavyweight division, Greg Grimes struggles to takedown his opponent.

Two Devil Grapplers exceeded their goals of just a winning season. Mark Brothers and Greg Grimes pushed beyond the limit to challenge the best of the best. Mark, at 135lbs., won the Red Devil Tournament and was voted for the outstanding wrestler award. After taking District Champion and placing third at Regionals, he qualified for the State Championships in Hershey for a second year in a row. As only a junior, Mark topped off the season by placing fifth in the state and ended the season with a record of 33-5. Greg, at 275lbs., won the Red Devil Tournament for a second consecutive year. Also taking District Champion and placing third at Regionals, he earned a trip to Hershey and ended the season with a record of 28-5.



Mark Brothers maintains control in state competition at Hershey.

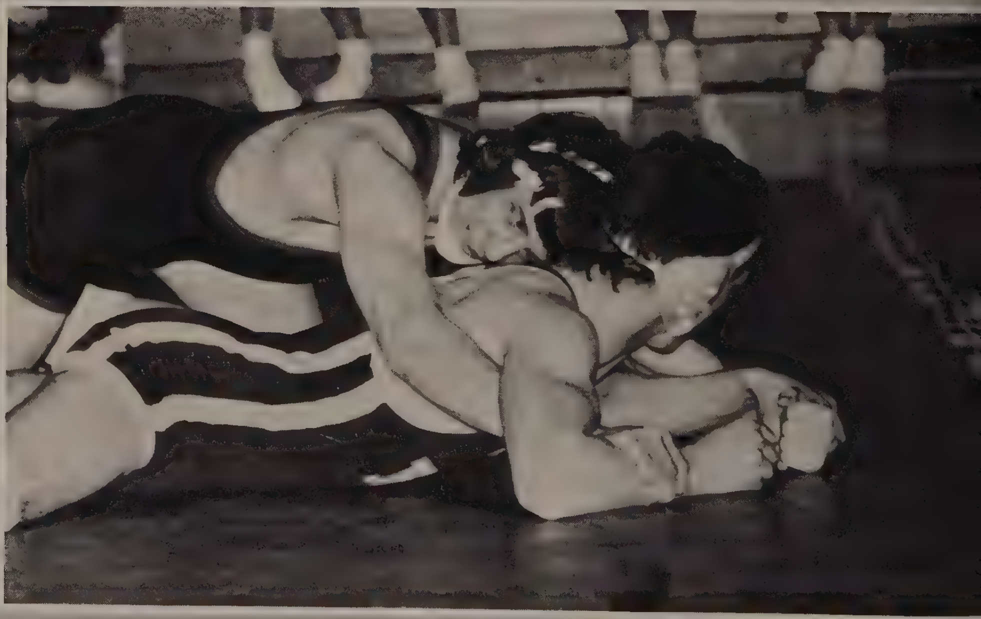
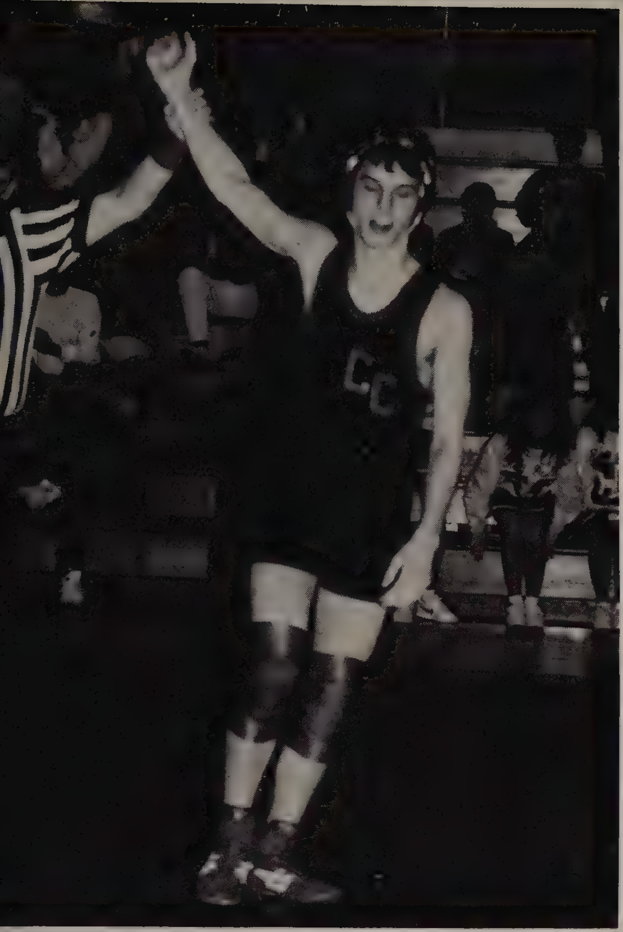
Talented Youth

A Pinning Combination for Success

Having a young team is often a problem when trying to obtain a winning season but for the Devil Grapplers this was not the case. Talented youth brought the wrestling team a winning season with a record of 16-3. The wrestlers worked together and struggled through many tedious matches to obtain both individual and team goals. With all starters returning, the wrestling team promises to once again dominate opponents.

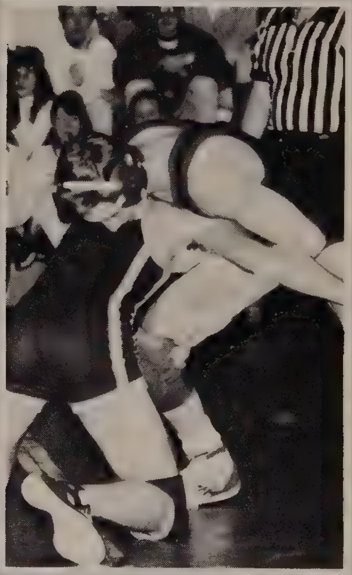


Staying in control, Tim Dryzal rides out his opponent.



Chalking up another victory, Jason Biter is announced "the winner."

Picking up back points, Bryan Felix has his opponent locked up.



Going for the takedown, Jason Jacobs works in his combination.

Breaking his opponent down, Dan Fels remains in control in a match against Forest Hills.

Building For The Future

Even though this year was a rough one, things are looking brighter for the future. Inexperience, youth, and many injuries were the key factors that resulted in an 8-15 record. The high point of the season was capturing first place in the Blacklick Valley Christmas Tournament. With a combination of skill and experience returning, 1992-1993 should prove to be successful.

Runnin' Red Devils...

End The Regular Season Winning!

The Boys' Basketball team ended the regular season above .500, finishing a strong third place in the competetive Laurel Highlands Athletic Conference. The team, after an extra week of practice, traveled to Tyrone to face a strong Bellefonte team in District VI Playoff action. After a late surge in the second half, Bellefonte beat the Runnin' Red Devils 51-50 ending their post season play. Senior captain and starting Forward Mike Kinney replied, "This season was one of many ups and downs. Our players overcame a disappointing start and by seasons end began to play as a team." Losing Mike Kinney, J.D. Kline, Bob Kuhar, Lance Kikta, and Jeremy Ford to graduation, the winning efforts of the JV squad will be the replacement troop.

Swimmers Remain Spirited

Team Builds For The Future

Over all the CCHS swimmers accomplished their goals, but it was not enough to pull them to a winning season. The teams pulled together and worked as a whole and not individuals. There were five girls and the entire boys team to go to Districts. Although the season did not go as planned, swimmers are ready for competition in the future.

Doing Their Best

Little Lady Devils Fall Short

"The girls were very hard workers and were the most close-knit group I have ever coached," said Coach Bill Swan. Their season started out rough when three of their starters were moved up to the varsity level, but the girls stepped in and did their best. Coach Swan commented, "Every girl improved individually and that helped us to improve as a team as well."

During a brief time-out, Coach Swan gives a few last minute pointers to the team.

Young Devils are Fundamentally Sound

Freshman guard Mike Whinnie spots up from three point territory.

Concentrating on defense, Mike Kuhar and Brett Burgan play tough man-to-man.

The Freshmen Boy's Basketball team started out with a 43-41 heartbreaking loss at Forest Hills. However, this was as far as the negatives went. The young Red Devils went back to basics and went on to win six of their first seven Laurel Highlands contests. In the season finale, the "Fabulous Frosh" outscored the Rangers 23-8 in the final minutes knocking them from the ranks of the unbeaten. Coach Swan stated, "I was very proud of this team and feel these boys have great potential."

Talent and Youth Combine Efforts

The Lady Devils entered into the season with a young team. The girls knew they had alot of work cut out for them. Freshman, Kim Lloyd, took charge on the mound while the defense worked through the rough spots and the bats were slugging away to a winning season. The team anticipates District competition, bids farewell to seniors, Tab Watson and Christie Hoffman but holds on to a solid future on the diamond.

Devils Enjoy Another Successful Season

The 1992 baseball season was one of many surprises. Although the Red Devils jumped out to a disappointing 3-3 start, they went on to win seven games in a row and finished second in the Laurel Highlands Conference with a mark of 12-4. To Coach McHenry's delight, the team displayed power which was kept hidden early in the year. Mike Kinney, Steve Ceresa, Kris Elders, Dennis Minzer, Sam Schilling, Don Brunatti, and Dom Bertolino all hit homeruns during the season. Senior Mike Kinney replied, "In the past four years strong pitching and timely hitting has enabled us to be successful." The 1992 season was a memorable one for the Devils.

Ladies Track Team is...

Running All The Way!

The ladies track team enjoyed a winning season. A lot of time was put into the preseason workouts at the Middle School. After enduring the aches and pains of the hard, cement floors, the season got off to a late start. This was due to snowy weather conditions. Both individuals and relay times improved as the season progressed. The girls team ended the season with two extremely pleased coaches.

Seniors Nikki Tickerhoof, Diane Davis, Tina Dulashaw, Lori Scanlan, and Kara Dambach are all smiles before their last home meet.

Dedication to Excellence

The Boys' Track team ended the season with many great performances, including an undefeated record in the Laurel Highlands Conference. Some of the team's outstanding athletes went on to uphold the Red Devil tradition of excellence. Seniors, Rick Hoffman and Stush Kubat finished second at the District meet. Rick captured a second in the shot put while Stush did the same in the javelin. Headed for the State Competition in Shippensburg is our very own District Champion pole vaulter, Aaron Wojcik. Another season highlight was a record breaker in the high jump. Senior, J. D. Kline shattered the 1975 books with a 6'5" jump. Above all, Coach Bill Plummer and staff were very pleased with both the individual and team accomplishments.

Jon Covel and Art Remilard run away from the pack against Northern Cambria and Hollidaysburg.

Junior High Track Strides To Succeed

Hard work and determination worked hand in hand for a successful season in junior high track. This group of seventh, eighth, and ninth graders exhibited true leadership and intense dedication. Although track is mostly an individual sport, these athletes worked together as a winning team. The year held a successful season and these young, promising athletes are sure to be key aspects for the varsity track team in the years to come.

The first two weeks of summer camp, the cheerleaders get whipped into shape for their eight month season. Practicing cheers and chants, painting spirit signs, and organizing fund-raisers are the ways they spend their summer afternoons.

Daily practices lend time to prepare for pep rallies, coordinate a competition cheer and prepare cheers for the various Red Devil sports. In their own competition, the Varsity Cheerleaders placed second and J.V. captured third place and the Academic Award in the Windber Hospice Cheering Extravaganza.

Enjoying every minute of it, the cheerleaders continue to fulfill their job of boosting the players morale.

CLUBS
AND ORGANIZATIONS

Participating in clubs and organizations allows every student the chance to be involved since there are a number of clubs to satisfy a variety of interests. This is a great opportunity to give time to a group such as Interact or EMS Club, or use talents such as chorus, band, or art. Students then spend time sharing the same interests within a group.

Jen Hildebrand stated, "The Interact Club is a great way to help society through fund raisers and volunteer work. It is also a chance to get to know everyone and work together as a group."

It's Back!!!

Color Returns

The colored senior section returns for its second year. This continuing tradition was made possible by the successful fundraising of many seniors and underclassmen. With five returning staff members, the assembly of the book was a fulfilling experience. The yearbook staff once again enjoyed a trip to the Jostens Printing and Publishing Plant in State College. At the plant, the senior members designed the cover, researched and critiqued a variety of yearbooks as well as ordered their own yearbook sweatshirts. As stated by senior Tammy Grove, "Being on the yearbook staff has helped me have a positive attitude about school."

Student Council

Taking Care of Business

The 1991-92 school year was a productive one for the Student Council. The twenty elected members and one-hundred fifty probationary members were able to plan and organize over fifteen events throughout the year. Two were Open House and Spirit Week. Others included the annual Bloodmobile, the Christmas door decoration contest, the computer dating match-up, the great American smoke-out, and the talent show. In addition to these the Student Council also sponsored several dances. President Lori Scanlan summed up the year by saying, "Much work and committment on behalf of everyone working together resulted in accomplished goals and a very productive year."

Lends a Helping Hand

Helping others is an important part of life. The Interact Club provides the community with well-needed services and social activities. Special Olympics has been an annual event for the Interact Club for several years. They are also strongly involved with the area's Rotary Club and lend their services to various dinners. Another well-known club activity is White-Out Day, which has been very successful over the years. Senior, Jennifer Hildebrand states, "The Interact Club is a great way to help the community and make money for needy causes." Learning The Basics

The Computer and Cad Clubs were formed to supply students with basic knowledge of a computer system. With thirty-five members, the Computer Club has steadily increased in the past few years. Officers Dave Miller, Bill Carlisle, and Bill Goughnour collect monthly dues in order to pay for new disks and games. Computer Club sponsor Dr. Karwoski replied, "We will use the money to purchase software and possibly new computers to add to our current IBM's." CAD Club sponsor Mr. Orlosky had the following to say, "Using the CAD (Computer Aided Design) system more students are able to experience what is necessary to do design work. Experience May Save

E. M. S. (Emergency Medical Services) is still a fairly new club, but the experience its members gain lasts a lifetime. The members learn how to take blood pressure and pulse readings. In addition to taking advanced first aid, and learning how to assist paramedics, members are also certified in CPR. They applied their skills by sponsoring the mock accident held this spring to show the dangers of drinking and driving. Members also sold candy to get jackets, blood pressures cuffs, and stethoscopes. On the lighter side, they participated in the Johnstown Halloween Parade, using the theme *Hospital From Hell.*

Painting in Style

The Art Club did numerous projects for the school and the community. In December, they held a food drive for the Food Pantry and collected eye glasses for the Lions Club. Many homerooms helped out and participated in these activities. During the month of February, the Art Club painted murals in the cafeteria. The murals consisted of positive quotes which were to give the student body a good attitude about school and life in general. Mr. Smith commented, "We have also decided to buy permanent equipment for the Art Room."

The students participated in different areas by: constructing projects, such as designing tee-shirts and making models of important buildings of France and also competing for academic awards through listening, comprehension, speaking, and writing skills tests. Cooking Toward Success

FHA Plans For The Future

During the course of the year, FHA members had many experiences. They discussed careers in the culinary arts, housing industry, child development and areas of consumerism. They also had a speaker visit from the International Culinary Arts Institute in Pittsburgh. The main topics touched on were the importance of the food industry, scholarship opportunities, and the many different areas of the culinary arts. Hands on experience came in the way of preparing pizza, breakfast items, and cookies for the Christmas cookie exchange.

The Art Of Hunting

The Sportsmen's club is a great way for CC's outdoorsmen to unwind. The young men watch videos and, of course, the biggest attraction is the annual buck-poll. This years winners were Jim Rummel and Jarrod Ley. Jim bagged a 9 point and in the archery season Jarrod brought home a button buck. Sponsor, Mr. Vaux gets involved with the men by having these polls and sharing his experiences during club time. In fact Mr. Vaux stated, " I shot two Rhinoceroses last Tuesday, April 7th, one being the rare white rhino, otherwise known as the albino rhino. Now I am in search of the Tyrannosaurus Rex that has been terrorizing Loretto."

Although there were a few days with bad skiing weather, the ski club members had a great time. They took advantage of the newly renovated lounge at Blue Knob when it got cold outside. CC'S Finest

Scholarship, service, leadership, and character are the four virtues that all National Honor Society members represent. The top juniors and seniors that make up this organization must maintain a 3.25 grade point average, be nominated to the post by a faculty board, anbd serve 20 hours of community service. All new members participate in an induction ceremony and the Senior members are recognized at a banquet held by the school administration and the four advisors: Miss Pauley, Dr. Karwoski, Mr. Smith, and Mr. McHenry. These students are proud of the accomplishments they have achieved and we congratulate them on their outstanding merit.

FBLA Members Go Far

The twenty senior members were a dominating force in FBLA. They set the pace in activities throughout the year. In March, students sold daffodiles to raise money for the American Cancer Society. Then after attending Regional Competition in February at Cambria Rowe, Annie Harper, Beverly Thomas, Tammy Grove, Jason Fulton, and Gary Stevens attended the State Competition at Seven Springs Resort. Accompanying them on their trip was advisor, Mr. Bremer.

During a business workshop at Penn Cambria High School, these group of girls take a break from the activities.

Mock Trial Team Struggles

The 91-92 season for the Mock Trial team was tough but a learning experience for upcoming years. A major change occurred this season, Mrs. Carnicella took over Ms. Pauley's position as coach. Under the direction of a new coach and only one returning member the team had its work cut out for them. The first match was a difficult one and the team met their defeat. After the experience of the first meet, the team came back with a strong victory and ended the season with high hopes for next year.

Voicing Our Talent

Award Winning Speakers

The Forensics team members felt great pride this year as they took numerous awards at their competitions. They practiced long and hard with their coach, Miss. Englehart, in order to be the best in their individual categories. It takes great courage and skill to perform in the competitions, this is something all of these kids possess. Doug Dorsch, 1st place finalist, and Purvi Shah, 3rd place finalist, both qualifies for the State Forensic competition. Joining them was Dawn Koban, Jen Gonos, and Carrie Sherry, who will compete in other state events. Doug Dorsch and Danielle Ricciardella, Oratorical Declamation, both qualified for the National Forensic Competition that will be held in Arlington, Virginia.

Adormes Te

Voices In a New Language

Chorus members learned just how much hard work and dedication it takes to be the best they can be. Incorporating the Latin language into their numbers, they took on the challenge of singing "Adormes te." Kathy Griffith, a senior chorus member stated, "Chorus is both hard work and a challenge as a class." A group addition to the Christmas and Spring concerts was the girls ensemble. Once again Central Cambria was well represented in District and Regional Chorus. A highlight to the year was being the host school for the County Chorus competition. Outside the classroom, chorus has been raising money for a well deserved trip to Cedar Point.

Warming up his vocal cords is sophomore Morgan James.

A Year of Sweet Melodies

Long before for any other students even thought of returning to school, the band was already hard at work preparing for their 1991-92 season, and what a successful year it was. The band started out the year with their many football game performances. Nikki Tickerhoof, drum major, and the fellow band members can be proud of their accomplishments. The awards include a first place ever at the competition against Penn Cambria, thirteenth at ACC's out of 327 schools. In other competitions, they broke their old school score and got 91.5 out of 100. In Williamsburg, Virginia they took a first in marching band, first honors in overall marching band, and first in concert band. To wrap the year up, a band banquet was held on May 6, to be followed by the Spring Concert on May 8. Mr. Tom Nagy, band director, looks forward to the end of the year slide show and next year's chance to work with an original score of music written especially written for CCHS.

Using their lips for musical purposes are Allen Powell and Tom Prindle.

Jason Rummel and Stacy Kish take time out from practice for State Band and Governor's School.

Grand Finale

Monday, June 1, 1992, commencenment exercises were held for the senior class as they achieved their highest goal of their high school career. Reminiscing the last four years brought tears of joy to many graduates. Always will we treasure the friendships and memories that were shared at CCHS. The traditional, "passing of the link" was performed by the Class of '92 president, Lori Scanlan, to Scott Hildebrand, junior class president. Valedictorian, Kimberlee Cinko and salutatorian, Mike Ford inspired fellow classmates with words of wisdom and wishes of luck in future endeavors. Dilplomas and congratulations were given by school board president, Mrs. Nancy Morrison, to the anxious graduates.

Student speakers, Kimberlee Cinko and Jennifer Gore along side administrators, await opening ceremonies.

Congratulating Bob Kuhar is School Board member, Mrs. Nancy Morrison.

Performing a solo, Amy Thompson makes a last high school music appearance.

Accepting the link from Lori Scanlan, for the Class of '93, is president Scott Hildebrand.

Choral members, directed by Mr. Nicoloff, perform before an auditorium of proud friends and relatives.

Full of pride, graduate, Kelly Kris accepts her diploma.

Spirit In The Sky

As our sophomore year came to a close, the Class of 1992 grieved the loss of classmate Tenea Homway. On May 19, 1990 Tenea was killed in a car accident on the Colver Road. Tenea was a kind and caring person. She was also very active. She enjoyed running and ran for both the Cross Country and Track Teams. Kristy Miller and Tenea first met in middle school and soon became best friends. Kristy holds on to many memories of Tenea, "Tenea was always smiling, always laughing, always caring. She loved to make people happy. No matter what was wrong she could always make things seem better." Even though we didn't understand why, we tried to accept the fact that she was gone. We decided not to dwell on the negative but remember the memories and good times she showed us.

Look-a-like sisters, Priscilla and Tenea take time out of their Christmas '89 activities to show-off their new clothes that Santa brought them.

Outside Mrs. Kodmen's typing room, Tenea and best fr Kristy Miller pause between classes to smile for this picture.

Fly To The Angels

When we, the Class of 1992, gan our junior year thoughts ere on planning the Prom and nally being upperclassmen. But we started October, we again ced another tragedy. On Octo- r 1, 1990 we again learned how uel life can be when we lost arla Malloy. Marla was killed a car accident on old Route 9. Marla was an active member the band and on the Track am. Kelly Terndrup rode the me bus as Marla and remembers, "She always knew how to make people laugh. She was the kind of person who could always cheer me up, no matter what was wrong." We will always remember how Marla made us laugh and all the memories that she brought us. As we think of Marla and Tenea we shouldn't think of how tragically they were taken away from us, but instead we should remember all the good times we shared with them.

aking a break, Marla and other band members watch the game ainst Johnstown Vo-Tech.

As a pre-teen, Marla in 1985 at age twelve.

Giving lessons, Marla teaches Nikki Tickerhoof how to play the trumpet .

Day after day as the year progresses, we realize that what once seemed to be an eternity is no longer the future but only a memory. We have lived, learned, and grown together realizing that CCHS has played an extremely important role in all of our lives, something that will never be forgotten. Looking back, the times we shared, the memories we have, and the friends we made are...

SIMPLY THE BEST

Enjoying the sunny weather, this group of seniors try to get as far away from books as they can.

These four seniors look back at the steps they took to attain their "senior"ity.
